About Me

IT Student Specializing in Next.js & TypeScript | DigiSkills-Certified in Freelancing & Communication | Computer Science Matric Student at TCF School | Intern at CodeAlpha & AL-NAFI

Education

DigiSkills Communication and Soft Skills · (July 2023 - October 2023) DigiSkills Freelancing · (July 2023 - October 2023) TCF (The Citizens Foundation) Computer Science · (August 2021)

Summary

I am currently a matriculation student at TCF School, passionate about computer science and IT. My focus lies in technologies like TypeScript and Next.js, and I have enhanced my skills through courses in freelancing and communication soft skills offered by DigiSkills. Education & Technical Skills: Pursuing a comprehensive understanding of computer science, with a strong interest in web development and software engineering. Experienced in TypeScript and Next.js, eager to apply these skills to innovate and contribute effectively to projects. Professional Experience: Currently gaining valuable hands-on experience through internships at CodeAlpha and AL-NAFI companies, focusing on software development and project management. Completed web development internships, refining my skills and understanding in this dynamic field. Career Aspirations: Aspiring to join the Air Forces, combining my technical expertise with a passion for aviation and national service. Personal Interests: Beyond academics and professional pursuits, I am enthusiastic about aviation and actively seeking opportunities to contribute to the Air Forces
